To Our Valued Customers:

Effective January 1, 2019 or as contracts permit, Solvay Chemicals, Inc. will increase our prices in the USA and Canada by (USD) \$10/short ton for all soda ash grades produced in Green River, WY.

Solvay Chemicals' energy surcharge policy will remain unchanged and may be found on our website at <https://www.solvay.us/en/markets-and-products/featured-products/soda-ash-price-list.html>

Your Solvay sales representative is available to discuss the current state of the industry as well as answer any questions you may have regarding this announcement.

Thank you for your continued business and we look forward to continuing our relationship with you in the future.

Sincerely,
